

Taupo Kayak Camp a huge

Over 30 intrepid kayakers made their way to a rather chilly Taupo in July to try their hand at white water paddling. The kayakers were a mix of C&K Owners, Staff and Yakity Yak Club Leaders, yet to enjoy white water paddling. There were a few nervous faces to begin with. We are a kind lot and started everyone off on the Waikato's more gentle flow...(including a sneaky seal launch). After lunch was a wetter affair with throw bagging, combat swimming and white water float positions practised. The Mighty Mohaka didn't disappoint, on a decent flow of two metres by the bridge. Once the mind bending shuttle organisation was done we headed

ing Development e success!!

down river.

A few swims, a few rescues, sausages over the camp fire and lots of smiles were the order of the day. Dinner back in Taupo was washed down with a couple beers and plenty of tales were shared.... Dan, Doug, Daniel, Tony, Pete and all the other instructors and assistants did a great job, making sure everyone had a blast! Cheers team.

Good on you, you hardcore bunch... we are planning more of the same at a fantastic introductory price, this time for **ANY** Yakity Yak member who wishes to give it a go.

Check out www.canoeandkayak.co.nz/camp for details or contact your local store.

Happy Paddling... See you soon.

Steve, Daniel, Doug and Dan
